

2026 Trumbull County Saddle Horse, Jr/Sr Fair board Rules
Revised- September 11, 2025
Approved-

POLICY STATEMENT: Rules covered in the current edition of the "Uniform Rules for 4-H Horse shows," published by OSU Extension Office, will be binding by the Trumbull County 4-H Equine Development Committee. Additional rules and regulations are listed below. Adherence to, and enforcement of, the rules and regulations is the responsibility of advisors, parents and 4-H members.

All youth age 19 and under participating in any 4-H equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards with the chin harness securely fastened at all times while riding or driving an equine. It is the responsibility of the rider, or the parent or guardian of the youth participant, to make sure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use and is properly fitted and in good condition. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders are not responsible for checking headgear worn for such compliance. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, as no helmet can protect against all foreseeable *and unforeseeable* injuries in equestrian activities. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders may, at his/her discretion, check a participant's protective headgear for proper standards. If the youth is found to be wearing unapproved, defective, or improperly fitted headgear, he/she will not be permitted to participate in riding or driving activities until proper headgear is acquired.

15. Expectations of Trumbull County 4-H Parents and Guardians

The following is an agreement accepted by parents and guardians involved in the Trumbull 4-H program. These expectations shall guide the adults' behavior during their involvement in 4-H Extension programs including the Trumbull County Jr. Fair. The primary purpose of these expectations is to ensure the safety and well-being of all Extension program participants (i.e., members, parents and families, volunteers and professionals). Parents and members are expected to function within the guidelines of Ohio State University Extension and the 4-H program.

4-H Parents will behave in a manner which promotes good character:

- ☼ I will be supportive of the county program, help my child with project selection, and assist my child with project completion without doing the work for my child or another member.
- ☼ I will conduct myself in a courteous and respectful manner, exhibit good sportsmanship and be a positive role model for all youth and adult volunteers. This includes all 4-H related events and any social media platform related posts. (including but not limited to Facebook, Instagram, Twitter).
- ☼ I will respect, adhere to and enforce the rules, policies and guidelines established by Trumbull County 4-H, its 4-H Clubs, Ohio State University Extension and Jr. Fair Species Rules.
- ☼ I will uphold an individual's right to dignity, self-development and self-direction.
- ☼ I will handle animals and operate machinery, vehicles and other equipment in a responsible and respectful manner. I understand and will adhere to proper ethical treatment of animals.
- ☼ I will see that my child attends all scheduled 4-H club activities and notify the club advisor if my child is unable to attend.
- ☼ I will help with club and county 4-H activities such as fundraising, refreshments and other club and county needs. I understand I am responsible for all monies due and provide necessary documentation for any fundraiser my child participates in on behalf of a club, committee or program. Failure to do so may affect 4-H eligibility for my child/children.

As a 4-H parent/guardian, I **WILL NOT**:

- ☼ Use or possess drugs, alcohol, and/or related paraphernalia during a 4-H related activity. If I use tobacco products, I will do so in designated areas so I do not jeopardize an individual's or animal's health and safety.
- ☼ Use foul, vulgar, inappropriate language or gestures in person or on social media platforms.
- ☼ Steal or be in possession of stolen property.
- ☼ Physically, verbally, or sexually harass, threaten or behave in such a way that could cause mental distress or physical injury to any person.
- ☼ Possess, handle, transmit, or conceal any object that can be construed as a dangerous weapon or instrument during a 4-H activity or event.
- ☼ Engage in abusive behaviors that physically or verbally threaten or harm any Extension program participant, including youth.
- ☼ Commit a felonious act.

Failure to adhere to these expectations may result in removal from the Ohio State University Extension Program. By signing these expectations, I/we understand that my/our behavior could affect my/our child/children's 4-H eligibility.

Involvement with the Ohio State University Extension 4-H program is a privilege and a responsibility, not a right. CFAES provides research and related educational programs to clientele on a non-discriminatory basis.
